**Dear Friend,**

## **“WITHOUT STRUGGLE THERE IS NO PROGRESS”**

Frederick Douglas once said “Without Struggle There Is No Progress.” *Milwaukee that is where we stand today.* I recall as a child getting into debates with my dear Uncle Elbert about the progress we as African American people made during the sixties and seventies. Here today, we stand in the folds of “just us” not justice. I always thought by the millennium all people of color would be ahead. Today, we are not and the struggle continues. We must progress and move forward.

I want to personally take my hat off to Bishop Sedwick Daniels of Holy Redeemer Institutional Church of God In Christ, Rev McVicker of Christ the King and the 100 plus ministers that stood tall on Resurrection Sunday to call for justice in the Frank Jude case. As I viewed many of the media outlets, I did not see the picture I saw that evening at the Mother Daniels Community Center. I saw a beautiful picture of African American Pastors standing in unison for justice. What better call to the arms of justice than the faith community; a rainbow of different faiths and religious thoughts have come together as one.

The analogy Bishop Daniels made to shed light on the situation for those who are in the dark, if you cannot trust the police who can you trust? If a parent spansks their child and leaves a mark on them, they could loose custody of the child or go to jail. We saw the beating Frank Jude received . . . we saw and heard fellow officers who were on the scene testify that Jude was beaten and that the code of the silence was in effect amongst the Milwaukee Police Force. Today that code of silence is the code of injustice...nothing has changed!

Get involved by printing the petition below and circulating it through your network of family, friends, co-workers, churches and neighborhoods. Support the call for justice, please sign the petition and circulate the petition everywhere. ***Work to get a complete page done . . . in the name of justice.*** We are looking to get over 10,000 signatures, once you have completed a page, please drop it off or mail it to:

The federal government must step in on the local level where no justice was found.

**CITIZENS PETITION  
ACTION REQUESTED**

***“QUADREVISION HENNING  
AND  
PURVIS VIRGINIA PARKER  
LAGOON”***

*Giving Honor To Two Boys Who Brought Milwaukee Together Through Their Journey.*

*Quadrevion  
Henning*

*Purvis  
Virginia Parker*

First let me thank Dr. Pamela Malone for allowing me to appear on her WNOV 860 talk show. During my visit, a listener called in with a wonderful suggestion of naming the McGovern Park's lagoon after Quadrevion Henning and Purvis Virginia-Parker. As a Supervisor, it's all about listening to your constituents. So, we have put forth a resolution to memorialize and name of the lagoon after these two wonderful boys.

We will work with other organizations in the community so there will be no cost to Milwaukee County. We want this to reflect Quadrevion Henning and **Purvis Virginia Parker's** positive presence that continues to bring Milwaukee together at a troubling time.
